All orders are subject to the terms and conditions of business of Artemide S.p.A.

DIMMER TECHNICAL SPECIFICATION

Dimmer: dimmable fixture by means of a switch situated on the lamp structure or on cable (infrared, microswitch, push button, slider control, touch).

Dimmable: dimmable fixture by means of a remote switch able to manage dimmable sources (halogens, fluorescents, LED Retrofit).

Dimmable (Push): dimmable fixture by means of a remote switch able to manage Push Drivers.

Dimmable (1-10V): dimmable fixture by means of a remote switch able to manage 1.10V Drivers.

Dimmable (APP): dimmable fixture by means of smart devices compatible with Artemide APP – Google Play or Apple Store free download.

Dimmable (DALI): dimmable fixture by means of command points suitable for handling DALI drivers type.

Dimmable (DALI DT8): dimmable fixture by means of command points suitable for handling DALI DT8 drivers type.

Dimmable (Push /DALI): dimmable fixture by means of remote switch suitable for handling Push drivers type or, alternatively, by means of command points suitable for handling DALI drivers type. During the fixture dimming, the Push command excludes the DALI command use and vice-versa.

Dimmable (Push&APP): dimmable fixture by means both of remote switch suitable for handling Push drivers and of Artemide APP compatible smart devices - Google Play or Apple Store free download. During the fixture dimming, the Push command can coexist with APP command.

Dimmable (Push/1-10/DALI): dimmable fixture by means remote switch suitable for handling Push drivers, or, as alternate, by means command points handling 1-10 drivers or, as alternate, by means command points handling DALI drivers. When dimming the fixture, the commands of one type exclude the use of the other two types.

5 YEARS WARRANTY

Artemide has always provided high quality products. As a result, we are glad to inform you that we offer to all our end users worldwide (private consumers only) a free 5-year extended warranty, valid only if the product is successfully registered online within two months from the date of purchase.

Conditions for the 5-year extended warranty are as follows:

- Being an end user (private consumer);
- Registering the product online within 2 months from the date of purchase;
- The product must be new (not second-hand);
- Being the first owner of the product (the warranty is not transferable).

Following successful online activation and claim, the extended warranty will entitle the private customer to a free repair or replacement when the product is determined to be faulty due to manufacturing defect, as stated on its terms and conditions. For further information please go to:cloud.artemide.com/5-years-warranty
