- 9.5. The buyer shall not be entitled to return the products without pulpo's approval. If the buyer, within a period of one year from the date of delivery, can prove that some of the products purchased are defective, pulpo shall remedy the non-conformity at the location specified by pulpo or, at pulpo's option, arrange a replacement. If it is not possible to deliver identical products, pulpo may offer a replacement with comparable products.
- 9.6. In the event of non-conformities, the buyer shall only be entitled to have the non-conformity remedied or the products replaced in accordance with the above-mentioned rules.
- 9.7. The buyer shall not be entitled to cancel the purchase in full or in part or demand a proportionate reduction in price, compensation or repayment, unless the non-conformity is caused by intentional or gross negligence on the part of pulpo.
- 9.8. When the risk of the products has passed to the buyer, pulpo shall no longer be liable for defects which may occur after this point, save for the obligations set out in this clause.
- 9.9. pulpo cannot be held liable for indirect losses such as loss of profits, lost time or consequential losses suffered by the buyer as a result of defects and non-conformities.
- 9.10. Defective products to be repaired or replaced as agreed shall be accessible to pulpo.

10. Returns

- 10.1. Returns are only accepted by prior written agreement. Returned goods shall be securely and properly packed.
- 10.2. Unless otherwise agreed, the buyer shall bear the transport cost and risk of any defective products returned to pulpo.

13. Force majeure

- 13.1. The buyer shall not have any remedies for breach of contract as against pulpo if a delay in delivery is due to events beyond the reasonable control of pulpo and such events prevent pulpo from performing its contractual obligations or render such performance unreasonably burdensome such as fire, war, mobilisation, industrial disputes, seizure, exchange controls, revolts and riots, general scarcity of goods, and any defects or delay in delivery of goods from sub-suppliers. If pulpo intends to rely on exemption from liability due to a force majeure event, pulpo shall notify the buyer thereof within reasonable time.

14. Limitation of liability

- 14.1. Unless otherwise provided by mandatory law, pulpo is not liable for any damage to property, including the product itself, or personal injury (product liability), unless the buyer can prove that such damage was caused by errors on the part of pulpo.
In case of non-compliance with the accompanying directions, including instructions for assembling, load, use, etc. and such non-compliance is the cause of the damage, pulpo is not liable for the damage.
- 14.2. pulpo is not liable for any loss caused by delay in delivery, defects or other breach of contract, unless the loss is due to gross negligence on the part of pulpo.
- 14.3. pulpo is not liable for any indirect loss, such as loss of profits, operating loss, loss of goodwill, loss of buyers, current expenses or any other financial consequential loss.

15. Non-assertion of rights

- 15.1. If pulpo fails to exercise or assert one of the rights enjoyed by pulpo under these General Terms and Conditions of Sale, such failure shall not be regarded as a waiver of such right by pulpo. This shall also not prevent such right from being exercised or asserted at a later time.

16. Disputes and governing law

- 16.1. Any dispute which might arise out of these General Terms and Conditions of Sale and Delivery and any related event shall, at pulpo's option, be settled by the city of Lörrach in the first instance. All disputes shall be settled in accordance with German law.
